

New Temporary Policy on Level I DUI School And Classroom Format

We are limiting the number of clients in each group.

We are will be offering an additional class weekdays on Mondays from 10 am – 2 pm. This is in addition to the Saturday and Sunday classes we currently offer.

You must reserve a seat in a class. You will be contacted after you enroll online to schedule your classes.

We will let all of you know when the Telehealth
is up and running.

- We are working on a Telehealth system that will allow you to “attend” Level I classes Live over the internet.
- Until that time you must attend an in-person class
- There are requirements for you to use this service.
- A working computer, a private email and a quiet and private area at home to use as you participate in the session will be needed among other things.
- Price for a Telehealth session will be as normal for the time being.
